#### WORDS OF WISDOM.

isthmus of Now .- Bovee. The greatest of faults is to be concions of none. - Carlyle.

Presumption is our natural and and original disease .- Montaigne. What we learn with pleasure we

never forget .- Alfred Mercien. The heart has always the pardon-

ing power .- Madame Swetshine. Enjoy present pleasure in such away as not to injure future ones .-

Seneca. Pitch upon the best course in life, and custom will render it the most easy.-Tillotson.

it may be better than you dare to head .- Burlington Free Press. think .- Longfellow.

The innocence of the intention abates nothing of the mischief of the example.-Robert Hall.

Any man who puts his life in peril in a cause which is esteemed, becomes the darling of all men.-Em-

There is nothing as sweet as duty, and all the best pleasures of life come in the wake of duties done .- Jean Ingelow.

Have a purpose in life, and having it, throw into your work such strength of mind and muscle as God has given you .- Carlyle.

On the diffusion of education among the people rests the preservation and perpetuation of our free institutions .- Daniel Webster.

In the man whose childhood has known caresses there is always a fibre of memory that can be touched to gentle issues .- George Eliot.

Things look dim to old folks : they need have some young eyes about 'em know the world's the same as it used to be .- George Eliot.

Every man who rises above the common level receives two educations. The first from his instructors, the se | ing and undressed kid is the favorite cond, the most personal and impor- material for slippers, says a fashionatant, from himself .- Gibbon.

Those, though in highest place, who slight and disoblige their friends shall in fallibly come to know the value of them, by having none when they shall most need them .- South.

are no further good than as they are of use; and whatever we may heap as much as we can use, and no more. ville Journal.

Every scholar should acquaint himself with a superficial scheme of all the sciences, yet there is no necessity for every man of learning to enter into their difficu ties and deep recesses .- Dr. Isaac Watts.

It depends upon the mood of man whether he sees the sunsets and there is always genins, but only few hours so serene that we can relish nature or criticism .- Selected

We should do nothing inconsistent with the spirit and genius of our institutions. We should do nothsecurity; nothing for the past, everything for the present and the future. -Garfield.

Let not any one say that he cannot govern his pasions nor hinder them from breaking out and carrying relatives. Wonder what he died him to action : for what he can do before a prince or a great man be can do alone, or in the presence of God. if he will .- Locke.

Over the triple doorways of an Italian cathedral there are three inscriptions spanning the splendid arches Over one is carved a beautiful wreath of roses, and underneath the legend." "All that pleases is but for a mo ment." Over the other is sculpturimportant which is eternal."

### How to Keep Cider Sweet.

Pure sweet cider that is arrested bent tube be inserted air tight into accomplish more than all the ponder the bung, with the other end into a ous and polished articles published pail of water, to allow the carbonic by our esteemed cotemporary. acid gas evolved to pass off without admitting any air into the barrel, a beverage will be obtained that is a legislature to interpret them either fit nector for the gods. A handy way. The discussion has knocked way is to fill your cask nearly up to the substance out of the idea that faucet when the cask is rolled so the tuition can not be charged at the colevening. Persons not regular customers bung is down. Get a common rub- lege without constitution.

#### WIT AND HUMOR

They eat 300,000 bakers' pies every day in Chicago, which acc unts in part for the tough character of the city .- Boston Post.

A dentist in a Western city is named Leggo. As an usual thing, however, he will not do so until it is ont. -Boston Post.

A bar in the river and a har on shore have the same name, because 'Tis but a short journey across the water is scarce in both places .- Merchant Traveler.

There is said to be one lawyer in heaven. He must be there as his own counsel to argue a stay of proceedings .- St. Paul Herald.

When you see a counterfeit coin on the sidewalk, always pick it up. You are liable to arrest if you try to pass it. - Independent.

You can no more count the queer notions in a pretty girl's head than you can the kinks in the rim of her summer hat .- Dunville Breeze.

Why is a good speller in a class of school children like a glass of cham-Give what you have. To some one pagne? Because they both go to the

A school journal advises, "Make the school intensely interesting." That's what the small boy tries to do the best of his ability.-Burlington

A Boston man is trying to obtain a divorce from his wife on the ground that she cannot make good coffee. On coffee grounds as it were .- The

Rambier. "The Pilgrim Fathers! Where are they?" The shouting school boy said, While the sleepy boy in the corner said "I think they must be dead!"

-Chicago Sun. "Happy the man whose bride has many needle marks on her fingers.' This doesn't follow. Perhaps she has just completed a crazy quilt .-New York Graphic.

A thoughtful mind can find fodder for much rumination in the announcement that seventy-two per cent. of the bald-headed men of this country are married .- Chicago Ledger.

A broker whose sweetheart's father owns one of those purps whose mouth resembles an open valise, made a quiet call one evening. A bull movement followed, causing a rapid advance.-Pittsburg Telegraph

Boots are seldom worn in the evenble journal. It may be added that slippers are not a favorite material with the undressed kid .- The Hatch-

Men sometimes recover from the effects of lockiaw, but with women it is always fatal. It is not so much the danger of the disease, great as that is. It is the mortification of not be up to give to others, we enjoy only ing able to speak that kills .- Somer-

"To clean the teeth use a mixture of emery and sweet oil, following it with plenty of kerosene." This would seem to be queer advice, but as it is taken from a machinists' mag azine, and from a chapter relating to circular saws, we have no doubt it is given in good faith - Boston Post.

Among the names of new post offices are found Sarab. Ethel, Edith Violet, Eve, May and Hypatia. The effeminate weakness of such nomenclatures is so far from gratifying that it is even pleasant to see it offset by such names as Onion, Wildcat, and ing for revenge, but everything for Wayback, which are said to have been conferred on three Southern postoffices .- Chicago Times.

"Our old friend Cook is dead. The papers states that he died surrounded by a large number of friends and with ?" "Don't the paper tell ?" "Not that I can discover." "Why you just read it. 'He died surrounded by a large number of friends and relatives.' You see they crowded him so that he couldn't get any air and and he had to die. It's a case of sympathetic suffocation .- Yonkers

Associate Justice McIver and Col ed a cross, and there are the words. B. W. Edwards are very able men, "All that troubles is but for a mo | but they do not use the gift of conment." But underneath the main densation if they have it. We do not arch is the inscription. "That only is believe their elaborate arguments of the free-tuition-in-the-college question have changed the opinion of a dozen men in the State, one way or the other. Not one person in a hundred has the time to read them, not one fifth of those who have the time have in the process of fermentation before the patience, half of those who have it becomes acetic acid or even alco | time and patience lack the intellectual hol, and with carbonic acid gas work- ability to comprehend the delicate ed out, is one of the most delightful points of the elaborate arguments, beverages. The Farm, Field and and of those who have all the qualifi tions for reading and understanding, Fireside recommends the following nine-tenths have their ideas immova scientific method of treating eider to bly fixed. The first half fool newspreserve its sweetness. When the paper man who borrows the ideas of saccharine matters by fermentation one or the other of the distinguished are being converted to alcohol, if a controversialists and puts them into a dozen crisp, uncouth sentences, will

One thing is certain. There is doubt enough of the meaning of the words "free and open" to allow the

should listen for the bell and stop the ber tube and slip it over the end of But after all, the will of the people the plug in the faucet, with the other end in the pail. Then turn the plug so that the cider can have communication with the pail. After the mater cation with the pail. After the water ceases to bubble, bottle or store and force the fight in the democratic Refrigerators, Freezers, &c clubs on that issue.—Greenville News. FRANCIS HALLETT & CO.
